FARMVILLE.

When you and I were married Mr. Editor, or rather when the writer was married, wedding gifts were unknown. Now they form conspicuous feature of all such social functions. It was my privilege recently to enter the room, in which the gifts to one of our brides were displayed, and such a display! Tables were resplendent with exquisite designs of cut glass glittered with jewels, glistened with silver, while massive bronzes occupied another, and busts of the old masters of the art of music, and artistic needle work and checks and currency in gold. There were 200 in all and varying in value from $100 to the inexpensive offerings of young friends. Forty years ago in Virginia this would have been considered a marvel, but now it just seems the thing to do.

An age of luxury in which the cry for money is agonizing. We don't stop to consider that we are buying fuel and lights and water, and the privilege of talking to our neighbors, and for riding a few squares, for our seats in the house of God. It is glorious for the man with the ready cash, but what of the less fortunate brother? "He is'nt in it."

Burk, England's greatest statesman, once said, "Every man has his price" and if this strenuous financial condition grows in force we will all agree with him. The dollar mark will bear to man the same relation that a blue ribbon does to a steer on exhibition at a State or County Fair.

The work of paving our High Street has been very much impeded by the continued rainfall and the use of that highway has well-nigh been abandoned. But it will be a gem when completed. Work on the new Methodist church has also been much retarded. It would be interesting to know just how many cloudy days we have had since the middle of last June.

Prince Edward's Board of Supervisors, at its October meeting, "unanimously" agreed not to have the county represented at the Jamestown Exposition, and, as I believe, in so doing misrepresented as noble and public spirited constituency as is to be found in the commonwealth. Farmville should take this matter up and not allow this stain to rest upon a county of which it is capital city.

I noticed in the Herald advertisements of the sale of the household effects, farming implements &c., of Mr. David Stuart, of Cumberland. He was one of the very best farmers in Southside Virginia, and that noblest of human professions loses one of its most honored members on his retirement. He had been making more than two blades of grass grow where only one grew before.

The home recently occupied by the late Mr. R. J. McKinney and family has been bought by Mr. W. W. Jackson and has been made one of the most attractive cottage residences in our town. And such properties are in demand.

I would judge from the educational column of the Herald that the public school outlook in Prince Edward is not very bright. Cheer up brethern, immortals have been sent out from log school houses, and cushioned seats are not necessary to character building. And yet Prince Edward is entitled to the best. So far as Farmville is concerned our advantages are unsurpassed this country over. From kindergarten to graduating day the literary pathway is literally strewn with privileges.

Competition between the representatives of our hotels on the arrival of trains is sharp and lively.

There are three unmarried men connected with the family. The wonder is that they remain so. Now that Dr. Gills has been married there is no unmarried doctor in town.

The death of Mrs. C. C. Cowan cast a gloom over our entire community. She was a woman of modest worth, an ardent worker in church circles.

Tobacco begins to be offered in our markets and our inspectors are all smiles. During the tobacco season 3rd St. takes on new life. Eating houses abound on it and Cox's corner is a conspicuous business centre.

Our hotels are not 300 yards distant from the depot and yet two large vehicles and three horses are engaged to take passengers to and from, and free of charge. That's quite a tax on the business, and yet Farmville is in the habit of doing full duty in whatever she undertakes.

All this talk about an unusually severe winter makes one shiver. Coal is high, wood is higher, and warm blankets are scarce, notwithstanding the Roosevelt prosperity which is abroad in the land.

I believe our people would enjoy an old time political "ronsement." They certainly would relish a real good political speech, and better still a spicy discussion between well matched combatants. If the "nigger was out of the wood pile," and he isn't, this we could hope for, but as long as he remains there we vote as we are obliged to. Does the oldest inhabitant recall an October of such continued rain? The immortal Webster, from the Southern portion of our Capitol, paid a glowing tribute to Virginia's October sunshine. This could hardly have been inspired during any day of the month just closing.

Another student has died at Hampden Sidney, making the second death there from disease in 130 years of its existence, and in this case, as in the former, the young man brought the seeds of the disease with him. The history of the venerable school in this regard is absolutely unique.

The Appomattox has been raging but our Main St. merchants are above high water mark.

Quinsy, Sprains and Swellings Cured.

"In November, 1901, I caught cold and had the quinsy. My throat was swolen so I could hardly breathe. I applied Chamberlain's Pain Balm and it gave me relief in a short time. In two days I was all right," says Mrs. L. Cousins, Otterburn, Mich. Chamberlain's Pain Balm is a liniment and is especially valuable for sprains and swellings.

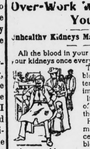
Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.



The kidneys are your blood purifiers, they filter out the waste or impurities in the blood.

If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's **Swamp-Root**, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty cent and one-dollar sizes. You may have a sample bottle by mail Home of Swamp-Root. free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake, but remember the name, Swamp-Root Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Sowing wheat in the mud! This is what some people did last week. The old saying, "sow in dust, reap we must," is not in vogue this season.

We have been writing about the price of bran and mill feed, how about hay? No. 1 Timothy hay is fetching $22.50 a ton and baled clover hay it is $19.65 a ton laid down at Dillwyn. The freight charges are 65 cents a ton on hay and on packages shipped by express the charges are 60 cents on the hundred pounds to Richmond. I saw a box weighing 76 pounds sent by express to Richmond and the charge was 60 cents and a bag of grass seed weighing 42 pounds cost 45 cents express from Richmond to Dillwyn.

Mrs. J. J. Spencer Dead.

On the 31st day of Oct. 1906 at her home in Buckingham, the county seat of Buckingham county, Mrs. J. J. Spencer, the wife of Rev. John J. Spencer, fell asleep in the arms of the blessed Christ, whom she had learned to so fully trust and lean upon during the weary months and days she was so sorely afflicted. She had been a sufferer from heart and kidney disease for the past seven months. Some days before her demise she expressed such beautiful resignation in the face of her consciously fast approaching death, that it was necessarily consoling to her companion, assuring him that there remained, when the end should come, the blissful assurance that a happy reunion awaited them beyond the skies.

Mrs. Spencer was born at Buckingham C. H. 63 years ago. She was the daughter of the late Wm. B. Miles, who was for 35 years the popular proprietor of the Maysville hotel at Buckingham court house. She was first married to Mr. Samuel LaFayette Housewright. Two years after the death of her first husband she was married to Rev. John J. Spencer. She made a profession of faith in Christ 20 years ago and was of Presbyterian faith though believing in baptism by immersion. She is survived by her husband, five children, and seven step-children. The children by her first marriage are Mrs. P. A. Grigg, Misses Annie L., Mary E. and Hattie Housewright, all of Buckingham The only child by her last marriage is Miss Alice P. Spencer. Her step children are Messrs. A. S. Spencer of Buckingham, R. L. Spencer, of Kentucky, J. Y. and W. T. Spencer, of Lynchburg, Mrs. L. O. Pierce, and Mrs. Forrest Guthrie, of Buckingham, and Mrs. R. L. Hayes of West Virginia.

The sympathy of the entire community is with the bereaved family.

Billiousness and Constipation

For years I was troubled with billiousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Stomach and Liver Tablets. The Tablets relieve the ill feeling at once, strengthen the digestive functions, helping the system to do its work naturally.—Mrs. Rosa Potts, Birmingham, Ala.

Death of L. L. Dawson.

Mr. L. L. Dawson died at his home near Pamplina October 29th, 1906. He was 74 years old and was converted many years ago and joined the M. E. Church, living a consistent member till the close of his life From conviction, sentiment and preference he was a Methodist, and yet broad enough to take to his bosom any of God's people.

He was a kind and obliging neighbor, a loving and tender husband, patient, gentle and affectionate father. He lived and exerted himself for the happiness of those dear to him. His patience, calmness and the heroic manner with which he bore his suffering all gave evidence of the faith which was in him. A quiet and kindly christian gentleman, he had many friends among those near with whom he had lived so long, and whose visits and sympathetic kindness during his illness so deeply touched his heart.

He leaves a wife and five daughters to mourn their loss. The children are Mrs. D. M. Mahone, of Arrington, Va., Mrs. R. E. Mahone, of Roanoke, Va., Mrs. S. T. Richardson, Misses B. H. and T. A. Dawson, of this county.

All that medical skill and gentle hands could do was done to prolong his life, but God saw fit to call him home to his reward. Could we but hear him speak now, we think he would exclaim:

We should linger! I long to go.
And yet no price in my hand I bring.
The Christ who died for us urges us so,
And simply to His cross I cling.
Nevermore from that cross to roam.
I am going home, I am going home.

The interment took place at his home Wednesday, October, 31, in the presence of a large gathering of sympathizing neighbors and friends the services being conducted by Rev. P. T. Warren and C. J. Dickerson.

The protracted services at Red Oak church closed Friday night. The meetings were well attended.

Lingering Cold.

Withstood other treatment but quickly cured by Chamberlain's Cough Remedy.

"Last winter I caught a very severe cold which lingered for weeks," says J. Urquhart, of Zephyr, Ontario. "My cough was very dry and harsh. The local dealer recommended Chamberlain's Cough Remedy and guaranteed it, so I gave it a trial. One small bottle of it cured me. I believe Chamberlain's Cough Remedy to be the best I have ever used."

"The Clansman" should at least be given credit for waking up Philadelphia, after many other means to that end had utterly failed.

A Methodist Minister Recommends Chamberlain's Cough Remedy.

We have used Chamberlain's Cough Remedy in our home for seven years, and it has always proved to be a reliable remedy. We have found that it would do more than the manufacturers claim for it. It is especially good for croup and whooping cough.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address
